Printed by
Puritan Press, Inc.

Nashua, N.H.

DEDICATION

This 1978 Town Report is dedicated to the memory of Warren Towne. His sudden death this year left us stunned and with a deep sense of personal loss. Those of us who were fortunate enough to work with him through the years recall him as a modest, gentle man with a quiet, firm way of showing the path to those of us less gifted.

His list of town service over more than 40 years attests to his dedication to Hollis, the community. Always smiling, friendly, nice to everyone, concerned for others in trouble, integrity beyond any question, a leader in the finest sense of the word. A devoted family man, one of the happiest memories will always be Warren and Elsie working election evening as the votes would be counted in the lower Town Hall. This was a team which blessed Hollis with their mutual endeavors for so many wonderful years.

There is no way to put into words what he did for this town. However a recent arrival to Hollis marvelled at how the community has retained so much of the basic wealth of community life which we do prize as "New England." It's very simple. Warren Towne and the other inspired people who have given unselfishly of themselves over these many years are the legacy which we, the living, have inherited to carry forward.

Warren Towne

Selectman of Hollis, N.H.	1930-1939
Hollis Fire Dept. member since	1932
Hollis Fire Dept. Board of Engineers	1957-1971
Hollis Fire Dept. Captain	1939-1940

Selectmen of Hollis, N.H.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at WALTERS AUDITORIUM in said HOLLIS on Wednesday, the fourteenth day of March, next at 7:30 of the clock in the evening to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

2. To hear reports of Selectmen and other Town Officers and Committees.

3. To see if the town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the town will vote to accept State Aid for the Construction of Class V roads and appropriate the sum of \$1,548.48.

5. To see if the town will vote to authorize the Tax Collector to accept prepayment of taxes in multiples of \$10.00.

6. To see if the town will raise and appropriate the sum of \$2,000.00 to be placed in capital reserve fund for an ambulance.

7. To see if the town will raise and appropriate the sum of \$8,000.00 to be placed in capital reserve fund for a front end loader.

8. To see if the town will raise and appropriate the sum of \$15,000.00 to be placed in capital reserve fund for a fire truck.

9. To see if the town will raise and appropriate the sum of \$10,000.00 to be placed in capital reserve fund for a fire house.

10. To see if the town will raise and appropriate the sum of \$8,000.00 to be placed in capital reserve fund for a grader.

11. To see if the town will raise and appropriate the sum of \$2,000.00 to be placed in capital reserve fund for the town highway garage.

12. To see if the town will raise and appropriate the sum of \$4,000.00 to be placed in capital reserve fund for a highway dump truck.

13. To see if the town will raise and appropriate the sum of \$3,000.00 to be placed in capital reserve fund for a rescue van.

14. To see if the town will raise and appropriate the sum of \$2,500.00 to be placed in capital reserve fund for a communications center and police station.

15. To see if the town will raise and appropriate the sum of \$1,000.00 to be placed in capital reserve fund for library expansion.
16. To see if the town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in the amount indicated herewith or take any other action hereon. Police Department: \$22,733.67.
17. To see if the town will authorize the Selectmen to expend the funds in the map fund to continue to develop the Tax Map Project.
18. To see if the town will raise and appropriate the sum of \$3,970.00 to be given to the Merrimack Valley Home Health Care Association, Inc.
19. To see if the town will raise and appropriate the sum of \$435.00 to be given to the Community Council in Nashua.
20. To see if the town will authorize the Selectmen to apply for, accept and expend any Federal grant monies.
21. To see if the town will authorize the Selectmen to expend Title II Support Grants for the payment of wages, the acquisition of supplies, material and/or construction necessary to maintain basic services.
22. By petition, to see if the town will raise and appropriate the sum of \$7,000.00 to replace the floor in the Upper Town Hall.
23. By petition, to see if the town will raise and appropriate the sum of \$5,000.00 to purchase copies of the new Town History.
24. To see if the town will vote to require that the selectmen, before disposing of real property the title to which has been acquired by tax collector's deed, first consult with the conservation commission, said commission to recommend if the retention of such real property would be in the best interests of the town as provided in RSA 80:42a, subject to final ratification of the next annual or a special town meeting.
25. To see if the town will vote to authorize the conservation commission to retain the unexpended portion of its previous appropriations and its 1979 appropriation, said funds to be placed in a special conservation fund in accordance with RSA 36-A:5.
26. To see if the town will vote to provide workers' compensation coverage for eligible employees by participating in the New Hampshire Municipal Association Self-Funded Workers' Compensation Program, and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

27. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and seventy-nine

Net Assessed Valuation	\$55,516,830.00
Taxes Committed to Collector:	
Town Property Taxes Assessed	\$2,148,501.00
Precinct Taxes Assessed	
Total Gross Property Taxes	<u>\$2,148,501.00</u>
Less: Est. War Service Tax Credits	<u>19,000.00</u>
Net Property Tax Commitment*	\$2,129,501.00
Tax Rate — Town	3.87
Precinct	

* The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations.

The net amounts approved for school, county and precinct are as follows:

Net School Appropriations	\$1,761,304.00
County Tax Assessment	90,068.00
Net Precinct Appropriation (1)	

In arriving at the above approved rate the Overlay has been set in the amount of \$33,292.00.

Very truly yours,
Lloyd M. Price, Commissioner

Available Funds — December 31, 1978 (June 30, 1979)	<u><u>\$22,733.67</u></u>

HOLLIS POLICE ASSOCIATION

To the Citizens of Hollis:

The Hollis Police Association, a non-profit organization, was established in April 1971. The membership of this Organization consists of Police Officers of the Town of Hollis.

Our Community projects this past year included, sponsoring a Summer Police Cadet and a high school student to Boy's State for one week, Community Calendar, Bike Rodeo and completion of renovation of the second floor of the Police Station. The Hollis Police Association also donated money to Hollis High School to help defray the expense of window replacement. We also purchased police equipment which was not included in the Town Budget. This equipment included a second cruiser, which in most instances is manned by Police Department volunteers; hand held radar unit; Holligan Bar, used for automobile accidents to open car doors and expeditiously remove driver and/or passengers; Second Chance Vests; training films; sporting equipment; sponsoring physical fitness programs for Police Officers and for target practice and qualification which is mandatory.

The members of the Association also volunteer their services to other Town Organizations such as police duty at the Strawberry and Apple Festivals, High School Graduation and the Crime Prevention Unit, which performs home security checks. Numerous hours are also donated to the training sessions for new Police Officers to insure their proficiency before they are appointed by the Selectmen and allowed to operate the cruisers.

I would like to take this opportunity to thank each of the Officers for their dedication in the performance of their duties. Association members dedicate many hours on activities to raise money for the Association programs. Donations would be greatly appreciated from any person or organization wishing to help our endeavors. Helping us assists us in helping you when the need arises.

Respectfully submitted,

P. Michael Grady, President
Hollis Police Association

POLICE/CITIZEN COOPERATION

The rapid population expansion of Southern New Hampshire and its attendant problems are common knowledge to all of us who live here. Hollis has not escaped unscratched as the Town grapples with the difficulties of school, taxes and increased service requirements. Nevertheless, Hollis boasts one distinction different from its neighbors; the incidence of crime has dramatically decreased.

This trend reversal is a direct result of a dedicated team of trained officers, an aggressive patrol concept and most importantly an interested and involved community. My personal thanks to all of you who keep watch on your neighbors' property and bring suspicious persons, vehicles or situations to the attention of your Police Department. You hold the key to effective crime deterrence. Thanks again for your support.

HOLLIS FIRE DEPARTMENT

With the town growing and new homes being built, it is very important that your house numbers are posted, so the Fire, Police and Ambulance can find it without wasting minutes which count. If we are going to help you people efficiently when you have an emergency, we ask for your cooperation.

I would like to remind parents to watch their children who are playing with telephones and dial the Fire Emergency number. This ties the line up and requires a lot of time to trace them.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

1978 FOREST FIRE STATISTICS

	No. of Fires	No. of Acres Burned
State	1,433	460
District	464	105

HOLLIS FIRE DEPARTMENT RESCUE SQUAD

This year was a busy one for Company 4, the Rescue Squad, with an increase of 28 more calls than a year ago. The Ambulance was bought at the Town Meeting last year, but a reminder that the service is free to the townspeople. The people on the Squad are all dedicated and take alot of pride in their work. If anyone would like to become a member, contact either Capt. Fred Leipzeiger, Lt. Jim Radcliffe or Lt. Jeanne Williams for more information.

We have received a total of \$2200 in donations, which are used to buy equipment for use in the Ambulance. We recently received an anonymous gift of a HURST Tool. This valuable tool is used to free people trapped in auto accidents which can save minutes. This will be carried on 345, our Rescue Van with everyone properly trained in its use.

HOLLIS COMMUNICATION DEPARTMENT for 1978

The Hollis Communications Center, handling the work load for the Ambulance Service, Fire Department, Highway Department, and Police Department, has realized a steady growth in population and communication demands in this town this year.

The Police Department went to 24 hour coverage which has been a great asset to the taxpayers of this town. If the dispatcher receives a call at 3 or 4 o'clock in the morning, or any other time, the caller knows it will be just a matter of minutes before help arrives.

The new fire base radio and encoder was installed and is working very well. The old fire base radio is still in usable condition and will remain as a back-up unit.

The Communications Center is still having problems keeping its residence card file up to date. This is extremely important for any type of emergency and helps supply faster services when really needed. If you have a new neighbor that has moved into your neighborhood, give the Communications Center a call, or better still have your neighbor call us direct so that we can place their names, addresses, etc. in our residence card file.

Each year the Communication Center receives many calls concerning stray or lost animals. The dispatcher passes this information on to the proper officer. If you find a stray animal, please do not bring it to the Communications Center because we have no facilities to handle animals.

New equipment for 1979 will be a programmable scanner to replace the present one and a micro-film viewer.

The townspeople have been most cooperative and we enjoy serving you.

Respectfully submitted,
Robert F. Sundstrom
(Comm. Supervisor)

REPORT OF HIGHWAY DEPARTMENT 1978

This past year was a busy one with the ice at the first part of the winter and the blizzard in February. Most everyone have been very patient during storms and the Highway Department thanks you as our trucks will get to you as soon as possible.

This past summer we rebuilt 4300' of Hayden Road under the T.R.A. program and in the fall we started 3500' of Farley Road by cutting brush and trees and replacing culverts for drainage. This coming year I am hoping to blacken the 4300' of Hayden Road and with any money left start widening Rideout Road as this is the next road to be completed.

I was able to get an Army surplus bulldozer which we have made good use of on our roads as well as at the stump dump. The surplus equipment acquired cost the town only for the paper work plus transportation; we have to keep any surplus equipment for eighteen months before we can dispose of it.

Our new Public Works Garage on Muzzey Road was completed this fall and we have put it to good use. Everyone is welcome to come by and see the building as well as the equipment the town owns. Our working hours are from 7:30 a.m. to 4:00 p.m. Monday through Friday.

I would like to thank the men in the Highway Department who work long and hard to make Hollis roads safer for you as well as the Selectmen, Budget Committee, Capital Needs Committee and the office help for their help and understanding.

Respectfully submitted,
Roy L. Wilkins, Road Agent

**STATE OF NEW HAMPSHIRE
DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS**

State Highway Aid is available to Hollis during 1979 in these categories:

Town Road Aid, Apportionment A Funds

Chapter 241, Section 2 of the Revised Statutes Annotated, as amended, provides for Class IV and V Construction, Reconstruction or Betterment Aid.

If aid is desired under Apportionment A, the town must raise \$1,548.48 and the State will contribute \$10,323.18.

Highway Subsidy

Chapter 241, Section 14 of the Revised Statutes Annotated, as amended, provides a highway subsidy for maintenance, construction and reconstruction of Class IV and V highways in towns and cities.

Your highway subsidy for 1979 will be \$22,438.54.

Additional Highway Subsidy

Chapter 241, Section 15 of the Revised Statutes Annotated, as amended, provides an additional highway subsidy which shall be used only for construction or reconstruction of Class IV and V highways and shall be used to increase the highway appropriation of the municipality as of 1977.

Your additional subsidy for 1979 is **estimated** to be \$14,548.18.

Highway subsidy payments are made quarterly in January, April, July and October. Accurate records of expenditures must be maintained. Audited reports will be required on a yearly basis, Jan. 1 to Dec. 31, and intermediate reports may also be necessary.

HEALTH DEPARTMENT FOR 1978

1978 was a quiet year as far as complaints were concerned. Silver Lake had a very strong odor late in the spring but water samples taken proved the lake to be safe for swimming.

Many people picked up water sample bottles to have their own well water analyzed. This year we hope to have an ample supply of water sample bottles for those who want to retest their water supply.

Again this year we would like to encourage the residents in this town to cooperate with the Health Department and report any problems in their neighborhood which seem to be possible health hazards.

Respectfully submitted,
Robert Sundstrom, Health Officer
Jean Williams, Deputy
Hollis Health Officers

DOG OFFICER'S REPORT FOR 1978

The year of 1978 was smoother than 1977. I received a copy of the dog licenses which enabled me to contact dog owners more quickly.

Still there were a great many dogs that were not licensed. This ended with the owner paying a fine for their dog's return.

The last three months were very hectic as some people do not believe in abiding by the leash law.

There were some 500 phone calls regarding lost dogs, dog laws, who is responsible for damages done by dogs and complaints in general. Thirty-two cases were reported about damages done by dogs to cattle, hens, sheep and other dogs tied in their own yards.

Eighty dogs were disposed of at owner's request. Seventy-six dogs were hit by motor vehicles.

I also received 146 written notices from the Communications Center.

Respectfully submitted,
Ernest G. Pratt
Dog Officer

January 1, 1978 through December 31, 1978

DOG LICENSES

Received for licenses on:

Fines	<u>230.00</u>

Paid Ralph J. Hardy, Treasurer

\$3317.00

\$3317.00

TOWN FOREST REPORT FOR 1978

In 1978 the Town Forest was enlarged by the welcome addition of about 30 acres of land. The purchase was handled by the Conservation Commission and is explained in the report of that committee.

This last summer Henry and Hilda Hildreth deeded to the Town whatever interest they might have in a 3.42 acre strip of land on the southwest side of Parker Pond. This strip was contained in the deed and plan of Spaulding Park and also in the Hildreth deed to their Barry lot. They had the lines surveyed on their land. This will end a longtime confusion. Many thanks to the Hildreths for their cooperation and generosity.

Another development this year was the opening of the town gravel pit east of the road near Dunklee's Mill. The Forestry Committee, with some misgivings, agreed to this on the condition that the area would be carefully restored as the gravel is removed. The town badly needs the gravel and we feel that eventually we can make the pit a model for other similar operations.

Again this year thanks are due to Fred and Dot Gemmill for running and marking the boundary lines on the Big Dickerman lot — a very time consuming but useful undertaking.

INVENTORY OF LANDS — HOLLIS TOWN FOREST

MERRIMACK VALLEY HOME HEALTH CARE ASSOCIATION, INC.

1978 Annual Report

Service activities to citizens of Hollis continued at a steady pace during 1978. 1,166 skilled nursing visits, 1,698 homemaker/home health aide visits totaling 2,154.5 hours, 98 therapy, 50 social service and 283 supervisory home visits were made plus 155 telephone conferences.

Clinic activities included immunization clinics at which 71 immunizations were given, monthly blood pressure clinics, held at Seniors' meetings, with 278 blood pressure readings taken and counseling given as needed.

Permanent housing for office, visit and clinic activities of the association became a primary concern as plans developed for major hotel construction at the location we were in. A move late in the year to Route 3, three houses north of Anheuser Busch, provided more space and parking.

Office blood pressure checks and health counseling are available free of charge by calling the association's office.

Board of Director members from Hollis in 1978 included Mrs. Gilbert Bucknam, Mr. Francis L. Cramer, Mrs. Robert Hackett, Mrs. Windsor Hunter, Mrs. Richard Jenney, and Mrs. Kenneth Trow. Their valuable support and work is of great value to the association's endeavors.

(Mrs.) Dorothy Marcek
Executive Director

HISTORIC DISTRICT COMMISSION

1978 Annual Report

In the 1978 building year the following projects were submitted to the Commission. There have been no changes proposed within the District and if you should have any questions please contact a member of the Commission.

Cripps Residence — Breezeway and garage — approved.

Continental Telephone Company — Temporary sign — approved.

Veiga Residence — Garage — approved.

Hollis Professional Building — New building — approved.

Nightingale Roofing — Storage barn — approved.

Sleepy Hollow Gift Shop — Temporary sign — approved.

Davison Residence — Shed Greenhouse — approved.

Wheeler Residence — Use for Historical Society. No exterior changes — approved.

Brookdale Fruit Farm Stand — Addition to building — approved.

Richard A. Hardy, Chairman

REPORT OF THE BUILDING INSPECTOR

HOLLIS, N.H. — 1978

One hundred and sixty-six permits were issued this year. They were as follows:

Single-family residence	72
Addition to residence	10
Addition to residence and garage	4
Addition, porch, deck	3
Porches	8
Porch and garage	1
Remodel residence, garage and deck	1
Addition to mobile home	1
Garage	9
Garage and breezeway	4
Addition to garage	1
Barn	4
Addition to barn	1
Pole building	1
Storage shed	9
Workshop and storage building	2
Greenhouse	3
Roof	6
Deck	4
Swimming pool	8
Chimney	2
Sign	1
Repair sewerage system	6
Public Works Dept. Bldg.	1
Addition to Elementary School	1
Office building	1
Temporary construction trailer	1
Welding and machine shop	1

The total cost of all construction was \$5,730,332. These figures represent an increase of 1,372,382 over the cost of construction in 1977, even though the number of permits issued for single family residences was seventy-two as compared to seventy-seven in 1977.

Respectfully submitted,
 Ronald S. Boisvert, Jr.
 Building Inspector

HOLLIS LEGISLATIVE PLANNING BOARD COMMITTEE (LPBC)

The LPBC was created in May 1978 for the purpose of reviewing and updating the Hollis Master Plan and zoning ordinance. The Plan was originally completed in 1971, and was updated in 1975; it was felt that conditions had changed from 1975 to the present, and another review of the town's growth policies and ordinance was needed.

The Selectmen, in conjunction with the Planning Board, appointed 16 members of the board, which was designed to be a long range arm of the Planning Board. The Nashua Regional Planning Commission contracted with the group to provide professional planning assistance for the approximate one year project duration.

A well attended public meeting on June 8 at the upper Town Hall kicked off the proceedings with discussions of what residents of Hollis liked, and didn't like, about their town. The LPBC has been working on solutions to the problems discussed that evening for the past eight months and 16 meetings. Substantial in-depth studies such as costs of growth, effects of new housing on schools, and need for commercial facilities have been completed. We now have a list of findings and recommendations which we wish to discuss with the town at a public meeting in the spring; we are preparing now for that meeting, in hopes that we will be ready to propose legislative changes at a special town meeting in early June. We hope to see you there!

Some of our goals are:

Growth

- * To restrain the town growth rate.

Housing

- * To broaden opportunities for housing — a range of types and costs, to encourage a variety of types of people in town.

Open Space/Agriculture

- * Retain a tax rate which will encourage open space and agriculture.
- * Protect agricultural industry; allow operations to continue unhindered and provide incentives.

Industry

- * Encourage cottage industries (home businesses).

Commercial Development

- * To provide for community-oriented commercial services.
- * To avoid unsightly strip commercial developments.

HOLLIS PLANNING BOARD

Not surprisingly, the growth of Hollis continued in 1978. One hundred and five new building lots were created and seventy-two applications for residential septic plans were approved. This compares with one hundred and thirty-two new lots and ninety-two septic plans in 1977. Three site plans for development or modification of business parcels were approved, versus five in 1977. The Board held twelve regularly scheduled monthly meetings, plus forty-eight abutter hearings and four special public hearings.

Several changes to the Hollis Zoning Ordinance were presented to the voters at Town Meeting. The first change was proposed by petition and related to the control of new high traffic generating businesses, such as flea markets, in existing high traffic areas. This proposal was defeated. The second proposal was a modification to Section XC, Residential Construction. This change was proposed by the Board to discourage the transfer of building lots for the purpose of generating building rights contrary to the intent of Section XC. This change was also defeated, however, a similar provision was adopted as a Town Ordinance.

In June, the Selectmen appointed a Legislative Planning Board Committee to review the current Zoning Ordinance and to recommend amendments to meet the changing needs of Hollis. As a result of the studies being undertaken by this committee, the Board hopes to be able to present to the Town a completely revised zoning ordinance in 1979.

The Board schedules the following meetings throughout the year:

First Monday of the month — Abutter Hearings

Third Monday of the month — Regular Board Meeting

Special meetings as announced.

Residents are reminded that subdivision plans or maps for recording to be considered at the Board's regular monthly meetings or to be scheduled for an abutter hearing, must be submitted by the second Monday of the month. Applications must include a mylar for recording, three prints, a list of the names and addresses of abutters, including those across any public way, and a payment of \$1.50 for certified mail for each abutter.

REPORT OF CEMETERY COMMISSION

1978

Under the continued guidance of its Superintendent, Roy L. Wilkins, the Cemetery Commission has maintained the improved quality of care of the cemeteries while continuing to reduce the expense and maintenance. The Commission regrets it may be losing the services of Mr. Wilkins for the coming year, and an assistant will be required to maintain the excellent quality that has been enjoyed the past two years. Such a change will be reflected in the increased budget for 1979.

Accomplishments:

1. Completion of surveys for the North and Pine Hill Cemeteries.
2. Completion of details on the East Cemetery survey.
3. Marked improvement in the appearance of the cemeteries as a result of the weed control and fertilization program.

Long-Range Goals:

1. Replacement of fence along the south side of the East Cemetery.
2. Continuance of updating the permanent record system.
3. Centralization of cemetery records in the Town Hall.
4. Distribution of deeds upon request of those persons who, according to the Commission's records, are lot owners..
5. Development of plan for utilization of the south section of the East Cemetery and establishment of a water system using the existing well in that area.
6. Establishment of a Gift and Legacy Program for the support and embellishment of all Hollis cemeteries.

Respectfully submitted,

HOLLIS CEMETERY COMMISSION

Percy L. Snow, Chairman

Eliz. P. Brocklebank, Secretary

Laurie L. Harris

W. Boyd Weston

Wendell C. Wright

HOLLIS CONSERVATION COMMISSION

The year 1978 saw the purchase of 29 acres of land adjacent to the Hollis Town Forest. The new acquisition lies along the eastern border of the forest north of the road from Dunklees Pond to the Jos. Rock place. The land was purchased from the David Wright Heirs under the 50/50 cost sharing program of the Federal Bureau of Outdoor Recreation (BOR). This acquisition represents a 10% increase to the amount of land held for the town by the Conservation Commission. It will make a welcome addition to the town's rapidly shrinking open space.

The following is a list of town land managed by the Conservation Commission:

Date	Description/Owner	Acreage	How Acquired
1941	Parker Meadow West Hollis	-----	Tax Sale
1949	Parker Meadow	5	Tax Sale
1949	Witcher Heirs—Parker Meadow	5	Tax Sale
1949	Sanderson Lot	3	Tax Sale
1953	John P. Howe Lot	4	Tax Sale
1964	Charlton Lot	¾	Tax Sale
1967	Tenney Meadow	3	Tax Sale
1968	Wm. Quinton	12	Purchase
1970	Rich Tree Farm	9	Purchase
1971	Henry Hildreth—Moore Lot	9	Gift
1973	Chas. B. Spaulding	32.6	*Purchase
1973	Irene West	3½	Gift
1974	Chas. B. Spaulding	15	*Purchase
1974	Nashua Foundation	2	Gift
1974	Pearl Rideout	82	Gift
1975	D. Wright Heirs	6.8	*Purchase
1976	Winston Hambleton	4.5	Purchase
1976	Milton D. Wright	21	*Purchase
1978	D. Wright Heirs	29	*Purchase

*Purchased with matching BOR funds.

The land bought with BOR matching funds represents a total of approximately 29 thousand dollars received from the Federal Government. Besides this aid we have been fortunate to have occasional use of Federal CETA forest crew for necessary weeding and pruning.

The Commission is currently in negotiation for an important new acquisition and has presented a request to the Budget Committee to increase our appropriation to cover the expected cost. It is expected that the land acquired in the next few years will be crucial to the character of the town over future generations.

This year the Commission was pleased to again cosponsor with the Elementary School the annual Hollis Clean Up Day.

We note with regret the resignation of Robert Sheldon. He contributed twelve years of service to the town on the Commission and was chairman during the past 6 years.

Robert Davison was appointed to fill the vacancy and brings to the Commission not only his background in engineering but also valuable experience from other town offices.

Respectfully,
David Sherman, Chairman

Claire Goulder	Jeffrey Smith

HOLLIS RECREATION COMMISSION 1978 REPORT

1978 proved to be an increasingly active year as our various programs were enthusiastically supported by interested town folk of all ages.

The ski program at Indian Head, coordinated by Marilyn Fontana, was attended by a record number of 107 young skiers. The large number of our skiers, combined with other skiers, presented some capacity difficulties. However, the instructors received many compliments.

Under the direction of Barbara Madsen and the assistance of Cheryl Henry, Junior and Senior Spring Softball and the Summer Slo-pitch Team had over 120 girls participating. Always a popular program, we owe our gratitude to the many who coached, umpired, assisted and sponsored this activity.

The Little League program, organized by Jack Law, continued to draw crowds and excitement. With the 5 major league teams and 8 minor league teams plus softball, both of our town fields were booked to capacity. The Little League was directly supported by 30 coaches and umpires who gave the time and energy to help our ballplayers. This program is expanding and we ask for your continued support in helping our youngsters in this exciting part of growing through sports.

Our 3 Babe Ruth teams continued to play competitive baseball with the surrounding towns. Tom Lapierre, with the help of others, has provided excellent leadership to this program.

Our tennis courts are always a busy place in the summer. Four tennis tournaments and a couple of mixed doubles night socials were sponsored by our tennis committee—Lucky Antonini, Dick Birch, Dot Colson, John Fontana, Roselinda McGonagle, Paul Roussel and Charlie Sabourin. For the third successful year, Roselinda coordinated a women's doubles league, which appears to be a very popular program. Tennis lessons were offered through four different Adult-Group Programs, two Youth Tennis Camps and individual lessons. We thank Kim Colson and Dagmar Klein for their excellent instruction. The Communication Center continues to do an outstanding job in coordinating night tennis reservations, the light key and our small night court fee to pay for maintenance and lights.

The Swimming Program, coordinated by Marilyn Fontana, with Connie Blake as senior instructor and Hope Mercer as shore coordinator, along with several other instructors and assistants, provided the always beneficial swim lessons to nearly 190 children.

The Summer Playground Program, under the direction of Kim Colson and Dagmar Klein, has enjoyed its second successful summer with organized playground sessions four times per week and Special Events and Field Trips throughout the summer. 1978 adventures included:

The Little Red Wagon Caravan, a Red Sox Baseball Game, Deep Sea Fishing, a climb of Mt. Monadnock and a beach trip to Wallace Sands. We enjoyed having parents along on the field trips. Please join us again for the summer of '79.

Summer Basketball, under the direction of Paul Roussel, added to the crowd of sports enthusiasts at the Beebe-Nichols Field in the early evening. This program offers an opportunity for our town basketball talent to demonstrate their commendable sportsmanship and competitive skills and, judging by the interest in this program, it looks like a prominent part of our summer fun.

And not to be outdone by the boys, a girls' summer basketball program was initiated by Ken Auer. We hope this program will continue in '79.

The third year of Fall Soccer continued to draw nearly 100 players from 4th through 8th grades. Paul Hayner and Lionel Bourassa have given us their excellent coaching and soccer skills in hopes of establishing a good "grass roots" program.

Saturday Morning Basketball with boys and girls from the 4th through 12th grade continues to be a popular program. Considering the expansion of the Junior High School teams, this separate program still has over 50 players eager to improve their game.

"Old Mens" Basketball on Monday night is becoming a tradition. Join Pete Lubinsky and the many others for some exercise and fun throughout the Fall and Winter.

Our annual Fall Ski and Skate Swap has been moved to the top floor of the Town Hall in order to accommodate the volume of equipment and people. By scheduling this swap on the same weekend as the Church Fair, we have found the center of town to be alive with our friends eager to socialize and find a good bargain to the mutual benefit of both sales. Our "left-overs" were again delivered to the appreciative Boys' Club.

As 1978 closed, we were signing up skiers for the '79 program at Mt. Watatic Ski Area in Ashby, Mass. A short bus ride away, with excellent facilities, as experienced in our '77 ski program, Watatic should provide fun for all.

We are grateful for the hard work and enthusiasm which were given by Tom Lapierre and Jackie Leitch to this commission during their years of service. New members who have joined us in 1978 are Paul Hayner, Cheryl Henry and Barbara Madsen.

As ever, we extend a sincere "Thank You" to all those who have given their time and energy to our growing committees and the resulting expansion in recreational programs. The Recreation Commission is eager to receive your continued support and is always in-

terested in your comments and recommendations. If you have a favorite sport or activity in which you would like to help, please accept our open invitation to call us or drop by during one of our meetings.

Respectfully submitted,

PROPERTY MAP PROJECT 1978 ANNUAL REPORT

The property maps are on display in the Selectmen's Office. There are 19 individual section maps in all, i.e., 12 area maps and 7 enlarged maps of densely populated areas — Silver Lake, Flint Pond, Town Center, Trailer Park, Wood Lane, Silver Hill, and Long Hill.

This past year the property ownership index was updated so that individual parcels shown on the map can be related to the owner and to the Selectmen's assessment records.

The master tracings have been updated through April 1, 1977 to show the shape and general location of all property in Hollis.

Austin Chandler
Town Map Coordinator

NASHUA REGIONAL PLANNING COMMISSION

The primary task of the Nashua Regional Planning Commission this past year has been the contract with the Board of Selectmen to provide data and professional planning assistance for the Legislative Planning Board Committee. This group is currently working toward a revision of the Hollis Master Plan and providing new language for town zoning ordinance changes. Small cost overruns on this contract were absorbed by the Commission at no cost to the town.

Other functions include drafting changes and corrections on town maps for the Planning Board and meeting with the Selectmen to discuss the proposed improvements to the Route 111 bridge over the Nashua River.

In addition, the Commission has been concerned with planning activities which will benefit all member communities. For example, model ordinances have been written that cover home occupations, parking, industrial zone, and a Town Center Zone for rural towns.

The standard wetlands ordinance has been revised and preparation of a model sign ordinance has been started.

Other activities of the Commission include the publication of a newsletter called *Soundings*, and distribution of planning information (Land Book, Model Subdivision Regulations, Growth Management) on request.

A tour of the NRPC Region for all commissioners was undertaken to point out planning and zoning problems in the towns of Merrimack, Milford, Amherst, Wilton and Lyndeborough.

The Commission has conducted an annual survey to determine housing and rental costs and vacancies, and comparison tables of municipal taxes for regional towns were prepared.

An article was written and printed in the *Milford Cabinet* concerning the effects of the Beck vs. Raymond Supreme Court case concerning Raymond's ability to control growth.

An update of subsidized housing information was written for the New Hampshire Housing Commission. This information is used as an indicator of need for elderly housing in Hollis.

Hollis is working toward control of it's future. The services of the NRPC are helpful in this endeavor.

CAPITAL NEEDS COMMITTEE

The year 1978 saw continued progress toward a system of orderly replacement of existing town equipment. It is hoped that by appropriating funds on a scheduled basis over the life of the equipment, when replacement is necessary, the funds will be available. This will allow for fewer unexpected needs in the town budget from year to year.

During 1978 funds set aside for a grader, town highway garage, and an ambulance were purchased at least partially with funds from capital reserves.

Another function of this committee is to look forward for potential future needs such as major one time projects. In this area is the future fire station and relocation of the present police station and Communication Center.

In order to forecast these needs better, the Capital Needs Committee annually presents for consideration by the Selectmen a five year plan of reserve needs.

Respectfully submitted,

Jim Belanger
Arthur D. Krulik
Fred Pitman
Bertrand Sommer

To the Hollis Board of Selectmen:

We have examined the accounts of the Tax Collector, Town Clerk, Treasurer, Board of Selectmen, Trustees of the Trust Funds and Revenue Sharing Funds in accordance with audit requirements set forth by the State of New Hampshire, Department of Revenue Administration, Municipal Services Division. Our examinations were made in accordance with generally accepted accounting standards and accordingly included such other auditing procedures as we considered necessary in the circumstances.

In our opinion the financial statements examined by us present fairly the financial position of the Town of Hollis at December 31, 1978 and 1977 and the changes in financial position for the years then ended.

Lawrence W. Morrison

HOLLIS SENIOR'S ACTIVITIES

The Hollis Seniors started with a meeting at the Congregational Church in April 1977 with forty-three people expressing an interest in forming a group.

From this evolved the Hollis Senior Citizen Association, Incorporated, meeting every third Thursday except in July and August in the Hollis Town Hall. Drop-in meetings are held on other Thursdays including the summer months.

The dues are \$1.00 a year and members must be fifty-five years or older. Only those members living in Hollis are eligible to hold office.

A complete new slate of officers is elected each year in May and takes office in June. At present there are sixty-nine members.

At each monthly meeting those members having birthdays that month are recognized and given birthday cards. We celebrate with a cake baked, decorated and donated by Irene Spaulding. There is also a planned program. These programs have included entertainment by school children, films and slides by members, dance programs by community members, talks on civic affairs and matters of special interest to senior citizens, and nature walks sponsored by Beaver Brook Association.

Every second Thursday of the month the Merrimack Valley Nursing Association provides a free blood pressure clinic.

Our Hospitality Chairman sends cards to members who are ill or sympathy cards at times of bereavement.

Presently, the group is still enjoying bowling at Leda Lanes every Wednesday afternoon. In the past seniors have participated in yoga classes, art lessons given by Ellen Davison, trips in private cars to different restaurants for lunch, attending plays in Milford last summer, a cookout at Helsing, dancing lessons and a Christmas party each year.

Future activities we have discussed are chartering a bus for trips, meals on wheels for shut-ins, putting on a variety show, furnishing transportation for shopping and medical visits, and where to put the pool table donated to us by the firemen.

Program Chairman &
Assistant Secy.

HOLLIS SOCIAL LIBRARY

1978

We were very sorry to lose the services of Nelson Parkhurst, who had been an invaluable custodian for many, many years. At the same time, we have been lucky to obtain the services of Donald Orcutt, who has brightened the inside of the library considerably by painting the trim. Three exterior sides of the building were scraped and painted in 1978.

For the first time the library purchased a collection of paperback books for young people (and young-minded adults) from the Reading Enrichment Company, Inc. — R.E.C.I. They have been very well received, as evidenced by their wide circulation.

The Hillstown Cooperative, to which we belong, has started a book depository in rooms in the Wilton Library. This means that some of our older, used books can now be sent to the depository rather than be discarded. If anyone requests one of these books it is readily available from Wilton.

Due to the generosity of HUMS and an anonymous donor we have begun a collection of classical records. It is too early to assess their popularity but we hope that as time goes on more and more people will become familiar with this new service.

Once again the Haydens hosted almost forty children at a barbeque to celebrate the finish of the summer reading program. Both program and barbeque have experienced a steady increase in participation since first offered several years ago.

SOUHEGAN REGIONAL LANDFILL DISTRICT SUMMARY OF 1978

The District has continued the engineering study of the remaining land available under lease from the Town of Amherst to determine the extent of the usable space for landfill purposes. While the space now being used will last for several years, the District feels plans must be formulated to determine the direction of future methods of refuse disposal. A sequence of operations and design data is expected to be submitted to the proper State Departments early in 1979 and preliminary discussions indicate approval of the plan. When the plan is approved, an area about three times the size of the original area will be opened up for landfill use. This will require the removal of thousands of cubic yards of fill before the new area can be prepared for use.

Some small progress has been made by the sending towns in encouraging their citizens to bring refuse to the collection sites during the week rather than concentrating their visits to Saturday and Sunday. Much more must be done in spreading the load of refuse particularly as the population grows. The change in habits is insignificant compared to the change in habits imposed on citizens where compulsory separation is mandated.

Voluntary recycling continues and is increasing in some District towns and every encouragement should be given to everyone to participate. Every cubic foot which can be kept out of the landfill will be of benefit to everyone in the District.

During a discussion with the Municipal Services Division of the Department of Revenue Administration in Concord regarding their audit of the District records they commented that our budget appeared inadequate to cover emergencies. It turns out they were right as 1978 ended up with a deficit. This was largely due to unexpected cost of repairs to our tractor.

ZONING BOARD OF ADJUSTMENT 1978

The following applications for Variances and Exceptions were heard and determined by the Hollis Zoning Board of Adjustment during 1978:

February

- Case 78-1 R.S. Audley Co., Inc. Request for renewal of Special Exception granted originally in February 1977 to permit removal of gravel from properties of Clifton Glover and James Bristol. Granted through November 1, 1978, with detailed conditions.

March

- Case 78-2 Brookdale Fruit Farm, Inc. Variance to permit the extension and enlargement of a partially non-conforming business use in the Town Center on Broad Street. Granted with restrictions to present size and with regard to certain non-agricultural and non-conforming product lines.

April

- Case 78-3 Stephen L. Previte. Variance to permit construction of a specified addition to house and relocation of garage. Granted with restrictions.
- Case 78-4 Stephen F. Weeks. Variance to permit construction of a garage with less than the required set back from the side lot line. Denied.

May

- Case 78-5 Brookdale Fruit Farm, Inc. Variance to permit use of land and buildings in Residential and Agricultural District for operation of tree care and pruning business. Denied.

June

- Case 78-6 Robert McNamara. Variance to grant residential building right contrary to conditions of Ordinance. Denied.
- Case 78-7 Henry H. Hildreth. Special Exception to permit removal of gravel in excess of 5,000 cubic yards from property known as the "Shedd Lot" on Hayden Road. Granted with extensive conditions.

July

- Case 78-8 Hollis Country Store and Flea Market, Inc. Variance to permit commercial sign exceeding size limitations of ordinance. Denied.
- Case 78-9 Henry H. Hildreth. Request for renewal of Variance granted originally in August 1976 for use and occupancy

of a trailer as office and living space in conjunction with logging operation off Hayden Road. Granted for one additional year with added conditions.

September

Case 78-10

Albert F. Brunelle. Variance to permit addition of carport to existing residence on non-conforming lot in Recreational District. Denied.

ANNUAL TOWN MEETING — MARCH 14, 1978

The Meeting was called to order by Moderator Roger Hammond at 7:00 A.M. for voting under Article One for the election of Town Officers. Voting continued until 7:12 P.M. The vote was announced at 11:45 P.M. when the meeting was recessed until March 15 at 7:30 P.M. in Walters Auditorium.

2272 on the Checklist Total ballots cast-1009 984 regular ballots
25 absentee ballots

QUESTIONS ON THE BALLOT

Leash Law for Dogs YES 531 NO 447
Real Estate Exemptions for Senior Citizens YES 864 NO 121
Two Sessions for Town Meeting YES 719 NO 218

PLANNING BOARD QUESTIONS

To penalize the transfer of building lots without the transfer of an equal number of building rights from the grantor YES 547 NO 356
This required a two thirds vote so it did not pass.

To require high volume traffic businesses such as flea markets to be at least two miles from any similar establishments YES 404 NO 569

The recessed meeting was opened by Moderator Roger Hammond at 7:30 P.M. George Faul offered prayer.

Chairman of the Board of Selectmen, Philip Mercer showed a plaque to be presented to Milton D. Wright honoring his 54 years of service to the Town as Selectman and Town Treasurer. He was unable to be present but the plaque will be presented to him at a later date.

ARTICLE 2 — Motion by Jim Belanger to lay this article on the table until after action on Article 27. Seconded by Tom Stawasz. Carried.

ARTICLE 3 — Motion by Jim Belanger to accept the reports of Selectmen and other Town Officers and Committees as printed in the Town Report. Seconded by Laurie Harris. Carried.

Motion by Jim Belanger to group ARTICLES 4 through 11 with one vote in the affirmative. Seconded by Tom Stawasz. Carried.

ARTICLE 4 — to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 5 — to accept State Aid for the Construction of Class V roads and appropriate the sum of \$1,341.23.

ARTICLE 6 — to authorize the Tax Collector to accept prepayment of taxes in multiples of \$10.00.

ARTICLE 7 — to raise \$25.00 to be expended in cooperation with the N.H. Forestry and Recreation Commission for forest fire roads.

ARTICLE 8 — to raise and appropriate the sum of \$2,000.00 to be placed in capital reserve fund for the Fire House.

ARTICLE 9 — to raise and appropriate the sum of \$3,000.00 to be placed in capital reserve fund for a front end loader.

ARTICLE 10 — to raise and appropriate the sum of \$1,000.00 to be placed in capital reserve fund for a fire truck.

ARTICLE 11 — to raise and appropriate the sum of \$3,000.00 to be placed in capital reserve fund for a highway dump truck.

ARTICLE 12 — Motion by Jim Belanger to authorize the Selectmen to contract for the construction of a town shed, cost not to exceed \$80,000.00 Seconded by Tom Stawasz. Chairman Mercer explained that the present shed is inadequate for present needs, that it was built in 1930, is uninsulated and has no water or sewerage. There is already \$38,000.00 in reserve for it. The building will be 6 bay, 40 by 140 and will be located on Muzzey Road off of Silver Lake Rd. After much discussion the motion carried.

ARTICLE 13 — Motion by Jim Belanger to authorize the Selectmen to withdraw the funds from the Town Shed Capital Reserve Fund to build a Town Shed. Seconded by Fred Gemmill. Carried.

ARTICLE 14 — Motion by Jim Belanger to authorize the Selectmen to purchase a new ambulance at a cost not to exceed \$16,000.00. Seconded by Jeanne Williams. Carried.

ARTICLE 15 — Motion by Tom Stawasz to authorize the Selectmen to expend the funds in the ambulance capital reserve fund to purchase a new ambulance. Seconded by Laurie Harris. Carried.

ARTICLE 16 — Motion by Jim Belanger to authorize the Selectmen to purchase a new grader at a cost not to exceed \$65,500.00. Seconded by Tom Stawasz. Carried.

ARTICLE 17 — Motion by Fred Gemmill to authorize the Selectmen to expend the funds in the grader capital reserve fund to purchase a new grader. Seconded by Laurie Harris. Carried.

ARTICLE 18 — Motion by Jim Belanger to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in the amount indicated herewith or take any other action hereon. Police Dept. \$20,225.12. Seconded by Rod Williams. Carried.

Motion by Jim Belanger to group Articles 19 through 22 with one vote in the affirmative. Seconded by Rod Williams. Carried.

ARTICLE 19 — to authorize the Selectmen to expend the funds in the map fund to continue to develop the Tax Map Project.

ARTICLE 20 — to raise and appropriate the sum of \$3,800.00 to be given to the Merrimack Valley Home Health Care Association, Inc.

ARTICLE 21 — to raise and appropriate the sum of \$645.00 to be given to the Community Council of Nashua.

ARTICLE 22 — to authorize the Selectmen to apply for, accept and expend any Federal Grant Monies.

ARTICLE 23 — Motion by Fred Gemmill to ratify the vote on the ballot yesterday of YES 864 NO 121. Seconded by Laurie Harris. Carried.

To accept RSA 72:43-B and 43-C: Expended exemptions on real estate which provide for a resident 65 years of age up to 75 a \$5,000 exemption: a resident of 75 up to 80 years of age a \$10,000.00 exemption: a resident 80 years of age or older a \$20,000.00 exemption provided that the resident owns the real estate individually or jointly with another or his spouse, with whom he has been living for at least 5 years as man and wife: said resident had a net income of less than \$7,000 or combined income with spouse of less than \$9,000 and owns assets of the value specified in RSA 72:43-C111, which is \$50,000, provided that the exemptions shall be based upon the assessed value of the real estate.

ARTICLE 24 — Motion by Rod Williams to authorize the Selectmen to expand Title II Support Grants for the payment of wages, the acquisition of supplies, material and/or construction necessary to maintain basic services. Seconded by Jeanne Williams. Carried.

ARTICLE 25 — Motion by George Faul to appropriate the sum of \$1,000 to be used for the Hollis Senior Citizens Organization, called the Hollis Seniors. Seconded by Emery Kaplan. Carried.

ARTICLE 26 — Motion by Jeanne Williams to authorize the Town Clerk to register new voters at any time during the calendar year. Seconded by Laurie Harris. Carried.

ARTICLE 27 — Motion by Gerry Hornik to accept and approve the following ordinance relative to residential construction: Seconded by Malcolm Dunbar.

Residential Construction:

1. The number of residential building permits which may be issued other than for elderly housing to any record holder in any building year shall be limited to the following:

- a. A record holder of a total of 10 or less acres in the Town of Hollis may obtain one permit per building year.
- b. A record holder of a total of more than 10 but less than 25 acres in the Town of Hollis may obtain two permits per building year.
- c. A record holder of a total of 25 acres or more but less than 50 acres in the Town of Hollis may obtain three permits per building year.
- d. A record holder of a total of 50 acres or more in the Town of Hollis may obtain four building permits per building year.

Only Undeveloped Land shall be considered in determining the acreage for the purposes of sub-paragraphs a, b, c, and d above.

2. The first building year shall be from April 1, 1978 to March 31, 1979 and shall be identified as the 1978 Building Year.

3. A record holder may transfer to a grantee the rights to a residential permit as presented in paragraph 1 by notifying the Planning Board. Said transfer shall constitute a release by a record holder to a grantee of the record holder's right to apply for a residential building permit so transferred and shall convey to the grantee the same rights to apply for a residential permit or permits as the record holder possessed under this ordinance. Notification within 60 days of the conveyance of the land for which a building permit is sought. Such transferred rights shall terminate if not exercised within 2 years from the date of transfer.

4. Notwithstanding the provisions of sub-paragraph 5(a), if grantee acquires residential building lots after August 30, 1977, without the transfer of an equal number of building rights from the grantor, the grantee will not be considered a record holder of the lots transferred without building rights until said grantee has owned said building lots continuously for a period of 5 years from April 1st following the date of deed recording at the Hillsborough County Registry of Deeds, unless the title transferred is to the parcel of land and such transfer is the result of a bona fide sale for a reasonable value or the result of mortgage foreclosure, tax sale, insolvency, bankruptcy or probate proceeding, in which case the grantee will immediately assume all the privileges of a record holder previously vested in the grantor by virtue of the grantor's previous ownership of the real property being transferred.

5. For the purpose of this section the following definitions shall apply:

- a. A record holder shall mean the owner of the land for which a residential permit is sought who has owned said land continuously since April 1st in the year prior to the Building Year in which the application for a building permit or transfer of rights to a building permit is made; said ownership shall be established by a deed recorded at the Hillsborough County Registry of Deeds on or before said April 1st in the year prior to said building year.
- b. The Building Year shall run from April 1st through March 31st and be identified by the year in which April falls.
- c. A grantee shall mean a successor in title to the lands or a portion of the lands of a record holder.
- d. Undeveloped Land shall mean land without residential housing as recited on the tax assessment records.

After much discussion a voice vote was taken which seemed to be in the affirmative, but this vote was challenged so a ballot vote was taken. Result YES 298 NO 84 so the motion was carried.

ARTICLE 2. Motion by Fred Gemmill to reopen action on this article. Seconded by Laurie Harris. Carried. Philip Mercer explained the Comparative Statement and the budget.

Motion by Jim Belanger to accept the budget as printed with the addition of \$999.00 making the budget \$696,116.02. Seconded by Jeanne Williams. Carried.

Motion by George Clark to adjourn the meeting. Seconded by Richard Birch. Carried.

The Meeting was adjourned at 11:05 P.M. At this time all the elected town officers were sworn in.

A true copy of record—attest
Bertha E. Duncan, Town Clerk

SELECTMEN'S REPORT — 1978

All who work for and serve the town know that Hollis is a growing community!

Renovation of the old Selectmen's office at the Town Hall is essentially complete. Curtains or drapes and some additional furniture will complete this project. Several of the smaller committee and board meetings are currently being held in this office.

Members of the Highway Department would be proud to show any interested citizens their new facility on Muzzey Road. The building is being well used and our crew really appreciates it after conditions in the old building. The new grader purchased in 1978 is a fine piece of machinery and is proving its value. Roy Wilkins and his crew have been challenged with diverse weather conditions which they have handled very well.

The Hollis Police Department has a fine nucleus of regular officers supplemented by special and auxiliary officers who provide dedicated effort on your behalf. The Hollis Police Association donated a second cruiser to the town to provide better back-up for the cruiser that had been our only patrol car. We have been able to provide better surveillance because of this vehicle and express our appreciation to the association for the gift.

Our Volunteer Fire Department has provided us with yeoman service and the dedication and ability in this group is outstanding. The Ambulance Squad, an integral part of our Fire Department Organization, is making good use of a fine new ambulance with some great people that provide the time and knowledge that make this service possible.

The people at the Communications Center are constantly working to better serve the community with all kinds of information. We ask that you please use the Center number, 465-2303, when calling unless it is an emergency situation.

Waste disposal ranks as one of town government's biggest problems. We are presently operating two sites for this purpose. The stump dump site on Depot Road should be used for stumps, wood and waste building materials. Everything else belongs at the Rocky Pond area. Depending on other units of government for the movement of the trash trailers has not proven very satisfactory. We will continue to try to improve this service for you.

At last year's town meeting we discussed an update to our comprehensive plan and some improvements and/or changes in our zoning. We appointed a committee of about 20 that had diverse interests and backgrounds. The purpose of this Legislative Planning Board Committee was to study the goals and objectives of our Comprehensive Plan. This has been done in several meetings with the emphasis on growth and its impact on Hollis. The study committee is working

under the direction of a planner from the Nashua Regional Planning Commission. The broad scope of the study has delayed a report from this committee. A sub-committee is presently drafting some proposals to present to the full committee prior to the process of going to a special town meeting tentatively scheduled for late May. There will be opportunities prior to posting for the citizenry of the community to review and suggest additional changes that might be in the town's interest.

The time and effort involved to serve on the various boards and committees continues to escalate as population increases and the services provided endeavor to keep up with changing times. We have many dedicated individuals who give freely their time and abilities to make Hollis a better place in which to live. We convey our thanks from the town for their unselfish dedication.

January 29, 1979

Mr. Hollis P. Nichols
Pepperell Road
Hollis, N.H. 03049

Dear Mr. Nichols:

Once again, as in years past, we express our sincere appreciation on behalf of the Town of Hollis. The additional shares given to each of the Nichols funds will benefit both present and future residents of our community.

It is our intent in 1979 to use money held over from 1978 income and the income from 1979 to proceed with renovation and improvements to Nichols field on Depot Road. The plans drawn and funded by you are scheduled to be implemented on a multi-year basis. We hope to expedite the overall fruition of this plan by appealing to individuals in the Town for both monetary and physical aid. This additional aid could be used for water, plumbing and restroom facilities so that the physical needs of those using the area could be met.

We hope to obtain additional adjoining land to make the area available for a wider scope of recreational activities.

Your continued interest and investment in Hollis is a source of real pride to our community.

Sincerely yours,

Frank Whittemore
Richard Walker
Philip Mercer

SELECTMEN OF HOLLIS

BIRTHS

**Date, Place of Birth, Name of Child, Name of Father,

HOLLIS SCHOOL DISTRICT WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the town of Hollis qualified to vote in district affairs:

You are hereby notified to meet at the Walters Auditorium in said district on the twelfth day of March 1979, at 7:30 in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

3. To choose Agents and Committees in relation to any subject embraced in this warrant.

4. To see if the district will authorize the School Board to make application for, receive, and expend in the name of the district such advances, grants and aids, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, or from the State of New Hampshire, or from any other state or private agency.

5. To see if the district will vote to raise and appropriate the sum of \$10,000 to purchase any land that might become available adjacent to the present High School site.

6. To see if the district will vote to raise and appropriate the sum of \$23,000 to carry out phase one of "Acoustic Renovations" at the Hollis Middle School.

7. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for the school district officials, employees and agents, and for the payment of statutory obligations of the district.

8. To see if the district will vote to accept the budget submitted by the budget committee and pass any vote relating thereto.

9. To transact any other business which may legally come before said meeting.

Given under our hands at said Hollis this 12th day of February, 1979.

SYNOPSIS OF HOLLIS SCHOOL DISTRICT MEETING

March 13, 1978

The Hollis School District Meeting was held at Walters Auditorium on Monday, March 13, 1978 at 8:00 P.M. with approximately 175 in attendance. Reverend George Faul opened the meeting with a prayer of invocation. Moderator Hammond read the call of the warrant and introduced the school board, principals, school district clerk, and Supervisory Union personnel. Status reports were given by Robert Davison and John Graney on the Elementary School building project and the Long Range Study Committee.

Article 1. Voted to pass over this article and act on it under Article 6.

Article 2. Voted that all reports as printed in the School Report be accepted.

Article 3. Voted to pass over this article without action.

Article 4. Voted to authorize the School Board to make application for and accept on behalf of the school district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

Article 5. Voted to grant to Mr. and Mrs. Nicholas Coniaris the deeded right to draw water for normal and everyday household uses from the school district water supply which presently supplies the high school and other school property, said water usage to be for the benefit of the Coniaris' homestead at 27 Main Street, Hollis; with water hook up to the pipe line at the expense of the Coniaris'; with fair rental for water usage to be paid by the Coniaris' to the school district; with the school district retaining the right to terminate said water rights at such time as the water supply becomes inadequate to properly supply school district property.

Article 6. Voted by division vote 108-yes, 48-no, to amend the original motion and add \$30,000 for continued capital outlay in the old high school building, so called, for repair and installation of windows. Voted to raise and appropriate the amended sum of \$2,170,463.94 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligation of the district.

Mr. William Roberts, retiring member of the school board, was thanked for his five years of service to the Hollis School District.

On motion from the floor by Mr. Goulder, seconded by Mr. Gemmill the meeting was adjourned at 9:40 P.M.

Richard R. Saunders, Clerk

HOLLIS ELEMENTARY SCHOOL

Principal's Annual Report

Staff additions for the school year 1978-1979 were as follows:

Valerie Emerson was hired for a second grade; Donna Radziewicz, who filled in for Carole Aliskevich in grade five, was transferred to second grade; Theresa Willett was hired as an additional third grade teacher; JoAnn Frank was hired as an additional Readiness teacher in December; Elizabeth MacMillian, Betty Pitman, Anne Maggi, Ann Caldwell and Jean Maguire were hired as classroom aides.

We wish to express our appreciation to the 150 Hollis Area Volunteers for over 7000 hours of volunteer time to help the youngsters of the Hollis School system. The staffs invited all volunteers to an "Appreciation Tea" last spring. A special "Thanks" to Mrs. Pat Burant for her services as the elementary coordinator last year.

The cafeteria staff and HEP (Hollis Elementary People) cooperated in June to give the pupils a cookout, band demonstration and a dramatic presentation.

Construction has made the school year 1978-1979 an interesting and unpredictable year. Building renovations and addition have provided many unexpected interruptions in the daily routines. I wish to thank Mrs. Sundstrom and her class for being so cooperative and understanding.

All of the staff deserves a "Big Thank You" for the cooperation and help they have shown in making the year as successful educationally as it has been.

Respectfully Submitted,
Gordon Bean

HOLLIS MIDDLE SCHOOL

Principal's Annual Report

The present school year opened with the following new staff members: Mrs. Donna Morgan, Special Needs; Mrs. Karen Edmonds, Social Studies; Mr. John Gould, Social Studies; Mrs. Claudine Augello, Grade 6; Mrs. Linda Szabunka, Grade 6, half time; Ms. Cynthia Wolfe, Grade 7 Science; and the return of Mrs. Margaret Gruppiso from a leave of absence.

During the summer, work was completed on the parking lot, the access road to the rear of the building, and work was begun on the play field for the Physical Education program.

The Home Economics, Art and Industrial Arts programs were re-structured to better meet the needs of the students in grade eight. Students with a strong interest may now elect to take up to 18 weeks in any of these areas. This permits students to concentrate on, and develop their skills in areas of their choosing.

We are continuing student choice in the music program. Students are permitted to choose band, chorus, piano, guitar or general music to fulfill their music requirements.

After school sports have been designed to achieve maximum student participation, allowing both team and individual sports. Participation has varied between 60 and 125 students per session.

Students in grade 8 are involved in a career education program. Students research careers of interest and a program of speakers is provided.

Our sixth and seventh grade students attended a week long conservation camp at Camp Union in Greenfield, New Hampshire and Ocean Park, Maine.

The staff has been working on a state mandated Accountability Plan and writing a Master Plan for Staff Development. Many hours have been spent on these programs and much remains to be done.

We would like to thank the school volunteers for the many hours of devoted service they have given to the students and the school.

Respectfully Submitted,
Robert McGettigan

HOLLIS AREA HIGH SCHOOL

Principal's Annual Report

1978 can be described as a year of activity at Hollis Area High School. During the summer, fourteen students participated in the St. Paul's Advance Studies Program. Five girls and one boy were also involved in the Boys/Girls State Program.

Student Government became more influential and more active due primarily to leadership provided by its president, Thomas Hildreth. Spirit Week, prior to the basketball season, was one of the most successful new events initiated.

The Humanities Department was divided into the English and Social Studies Departments. Joel Mitchell is Social Studies Department Head and Michael Fox is the English Department Head. Mr. Fox's first project was to clarify and standardize the writing requirements that are used in each of our English courses. The division of the department and the appointment of an additional department head will help us to better implement the States Accountability Plan in the areas of Language Arts and New Hampshire and U.S. History.

Individualizing Home Economics made it more available to our students and doubled enrollment. Clothing and textiles and Foods and Nutrition are offered each block on both the beginners and advanced levels.

Individualizing Art (Offering Art I, II, and III during each block) allowed more of our students to discover or expand on their talents.

Our ability to provide testing services and programs for our special needs students was greatly increased when our Learning Disabilities teacher, Alexis Eaton, became full-time.

An additional physical education teacher, Louise Bieg, allowed us to increase the variety of offerings and reduce class sizes.

The invaluable services of the High School Parent Volunteers continued under the direction of Mrs. Susan Durham. Volunteers tutor students in English, Mathematics and Science, and work in the kitchen.

My second year in Hollis has been a pleasant one. I have become even more impressed with the responsibility of the students and the quality of the teaching staff. We will continue to look for ways to improve the quality of our total educational program and to respond to the needs of the Hollis/Brookline community.

Respectfully Submitted,
Daniel F. Moegelin

REPORT OF THE SUPERINTENDENT OF SCHOOLS

It is with great pleasure that I submit my first annual report, to you, the citizens of Hollis. This year has been one filled with many educational "happenings," some of which will be mentioned. The schools, as pointed out in the principals' reports, have had many changes, both program wise and staff wise.

The day of accountability is here, and we have been working jointly with Brookline in the development of our Accountability Plan. Professional Staff, School Board members, and more importantly, community members, have been busily attending to the task.

In compliance with the state mandate, we will be evaluating our programs in Language Arts, United States History, New Hampshire History and Government, and Mathematics. This will occur at the Elementary, Middle and High School levels.

The School Board, the administration, the staff, and the various committee members have worked long hours with one ultimate goal in mind, that being providing the best educational program for our young citizens.

Our existing Supervisory Union #41 (Amherst, Brookline, and Hollis) will be different next year, as Amherst will become its own Supervisory Union #39, and Supervisory Union #41 will consist of Brookline and Hollis.

The School Board has had the foresight to establish various committees to deal with such matters as existing space utilization, population, the Middle School and High School, just to name a few. The information developing from these various committees will provide the School Board with the essential data to help them make the kinds of decisions that will be extremely important to the community and its schools in future years.

I would like to thank the citizens of Hollis for their support and assistance of our schools.

Respectfully Submitted,
Alexander J. Blastos
